

## RoHS - Information

regarding EU Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (EEE) ( RoHS)

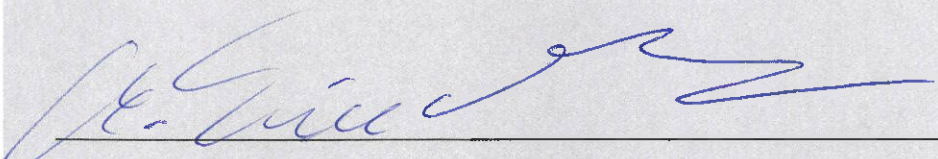

The manufacturer / supplier  
Interroll Engineering GmbH  
Höferhof 16, 42929 Wermelskirchen, Germany

hereby declares that our products comply with substance restrictions according to Annex II of the above mentioned directive.

Exemptions listed in Annex III of the directive apply.

\* For EEE category 8 and 9 (Medical devices, Monitoring and Control Instruments) the substance restrictions apply from 22. July 2021.

| Stoff                                 | Maximalkonzentration im homogenen Material |
|---------------------------------------|--|
| Lead                                  | 0,1 %                                      |
| Mercury                               | 0,1 %                                      |
| Cadmium                               | 0,01 %                                     |
| Hexavalent Chromium                   | 0,1 %                                      |
| Polybrominated biphenyls (PBB)        | 0,1 %                                      |
| Polybrominated diphenyl ethers (PBDE) | 0,1 %                                      |
| Bis(2-ethylhexyl) phthalate (DEHP) *  | 0,1 %                                      |
| Butyl benzyl phthalate (BBP) *        | 0,1 %                                      |
| Dibutyl phthalate (DBP)*              | 0,1 %                                      |
| Diisobutyl phthalate (DIBP) *         | 0,1 %                                      |
